

You want 25,000 EURO funding for your sustainability project?

This is how it works!

1. Inform

Are you a member of the Faculty of Medicine and/or the UKB and have a sustainable project idea preferably of a pilot nature? Then find out more here:

2. Submit application

Download the application form and send it by e-mail after processing:

nachhaltige-ideen Duni-bonn.de

3. Presenting

Present your sustainable project (from research, teaching, patient care or administration) to the Sustainability Commission, which meets twice a year.

4. Realize

Receive up to 25,000€ in funding for your approved project application and start implementing it immediately, either on your own or with your project team.

TIP:

You are not a member of the Faculty of Medicine or the UKB? No problem! Ask Team N about funding opportunities at the University of Bonn.
